

BECOME A BIRDS GEORGIA CERTIFIED WILDLIFE SANCTUARY

BIRDS GEORGIA

GET CERTIFIED!

Birds Georgia's Wildlife Sanctuary Program recognizes and encourages property owners to enhance their land for birds and other wildlife. Through planting native plants, removing or controlling non-native, invasive species, and providing food, water, and shelter, property owners can provide critical wildlife habitat and create a safe-haven for wildlife and people.

- ✓ Turf grass less than 50% of total area
- ✓ At least 50% native plants
- ✓ No feeding or support of outdoor cats
- ✓ Invasive species (ivy, privet, etc) less than 1/4 of total property

Certifications available in all Georgia counties. To view full list of requirement or to apply, please visit our website.
